[Comment Attachments List MS 8-10-20.xlsx](#)

Hi Valois,

Attached is an excel document listing out the Attachments, weblinks, and references noted in comments on Cadmus. Next to each comment number, I placed a Y/N for whether we have the attachment saved with the comment. For some of them, I have made a note if I found the attachment saved under a different number or somewhere other than in the 2017PublicComments file or 2019PublicComment file. Unfortunately, we are missing a fair number of attachments from the 2017 Public Comments. Please let me know how I can help track these down.

Also, as you'll notice, I have a few highlighted (in yellow) comments from 2019 that are not in our file for 2019 Comments.

Best,  
Melissa
